Dear Mr Keenan

Freedom of Information Request Appeal – Copies of Emails

My letters, dated 20 April and 19 May 2010, on the above refer.

I note your request for an appeal in respect of all emails that satisfy all the following conditions:

- (i) Where Paula J Reimer was a sender or recipient.
- (ii) Michael G L Baillie was a sender or recipient.
- (iii) The email was sent on or after 10 April 2007.

Having reviewed your original request, and again consulted with relevant colleagues, I would confirm that all emails held, which satisfy all of the above conditions, have already been provided to you. On this basis, I do not feel that a formal appeal will reach any different conclusion.

I trust this clarifies the position but, should you still wish to invoke the formal appeal procedure, please let me know.

Yours sincerely

Debbie Troy
